

Call for Papers
for the
Student Chapter on 'Strategic Leadership Towards Sustainability'
within the
11th Annual International Sustainable Development Research Conference

June 6-8, 2005 in Helsinki at Finlandia Hall, Finland

Conference Website: www.erpenvironment.org

The objective of the Student Chapter

Together with the Blekinge Institute of Technology and the The Natural Step Foundation, the 11th annual SD conference is pleased to announce this call for papers for student contributions to the workshop. We aim to bring together MA and Ph.D students interested in:

- Sustainable development
- The Natural Step
- Corporate environmental management
- Corporate social responsibility
- Cleaner production and
- Industrial ecology

We invite each speaker to present the main topic, approach, methodology, substance, results/expected results of one's MA or Ph.D thesis. In addition to this, we encourage the speakers to reflect on their own experience on studying and learning sustainable development issues in University. This can contribute to discussion and generation of new ideas for the development of University education in sustainable development.

The structure of the workshop

We intend to have 20+10 minutes presentations+discussion within the workshop on the above and related themes. The participants include students and experienced professors with the aim to create an atmosphere of lively debates and learning. At the end of the workshop, there will be extra 30 minutes for general discussion reflecting on all the presentations.

Where and how to send abstracts/summaries?

Initials abstracts of 200 words should be e-mailed to Jouni Korhonen at jouni.korhonen@uta.fi by February 11, 2005.
